Weight: 275 lbs.

- Same Intelligate board that fits all RAMSET operators

Control box can be mounted on either side or separately

1 HP Motor - 115/230 VAC

Spring mounted suspension that moves with rail

SALUTES

Every time you purchase a Ramset Gate Operator, a portion of the proceeds will be donated to DAV (Disabled American Veterans).

Ramset guarantees a minimum contribution of \$10,000.00 to DAV. Insist on Ramset gate operators and together, we'll give even more.

For more details visit www.ramsetinc.com/dav

Ramset - Made In The USA and giving back.
