

Limited 2 Year Warranty

LCD-KP

Liquid Crystal Display Keypad

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This warranty covers the Ramset LCD-KP keypad for a two-year period, starting with the original purchase date from the dealer or distributor, to be free of defects in workmanship on all parts and components. Proof of date purchased may be needed to verify the product's warranty status. This proof of date purchased is the original receipt with the serial number of the LCD KP printed on it. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Ramset will repair or replace, at it's discretion, the control board (PCB) or any other components it determined to be defective.

Limitation of Liability

Ramset shall not under any circumstances be liable for:

- 1) Special or consequential damages, such as, but not limited to, damage or loss of other property or equipment, loss of profits or revenue, or cost or purchase or replacement goods.
- 2) Any additional costs such as, but not limited to, shipping and handling of components or product, or any charges associated with the removal, programming, or repairing of the LCD KP.
- 3) Any acts of nature such as, but not limited to, lightning, water damage, rodents, insects...etc.

Please call Ramset Automatic Gate Systems, Inc. for any further explanation or questions on the warranty for the LCD KP, as stated above.

Ramset Automatic Gate Systems, Inc.
9116 De Garmo Ave.
Sun Valley, CA 91352

This warranty only covers units sold after September 12, 2012
